Overview	1
1. IFC Registration flow	2
2. MCEduHub UI/UX Improvement	5
3. Tutorial – Welcome Screen	10
4. Mock-up	14
5. Sign-Off	15

RESTRICTED

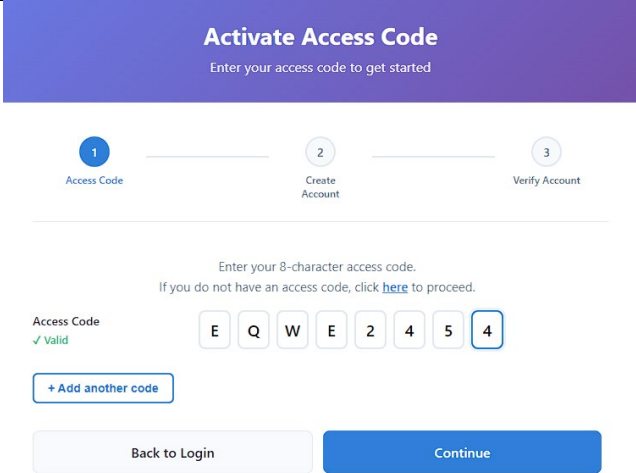

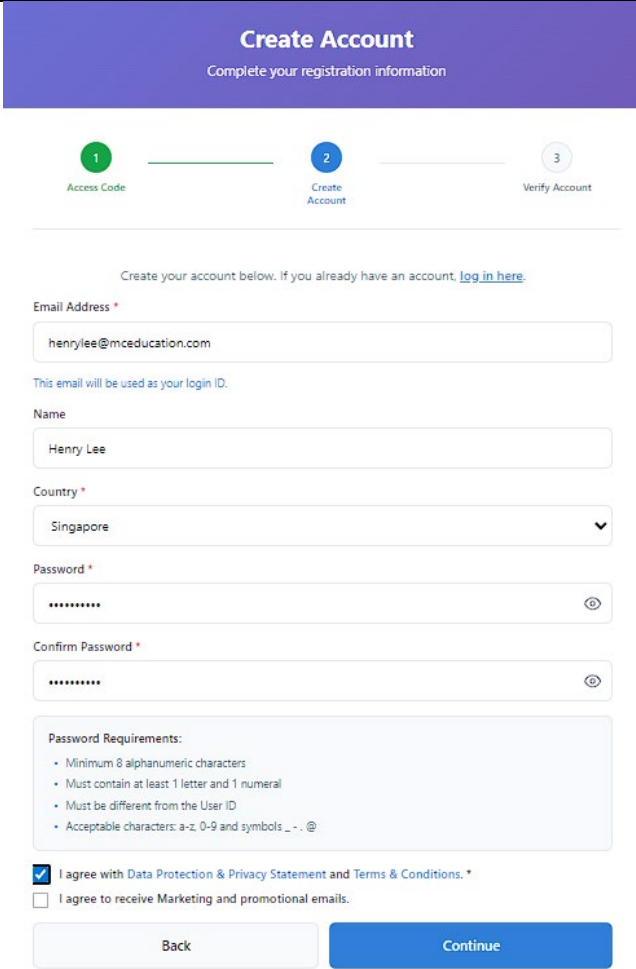

1. IFC Registration flow

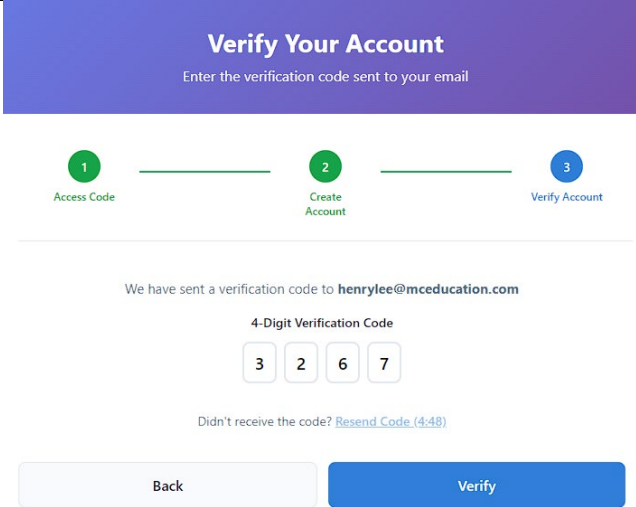

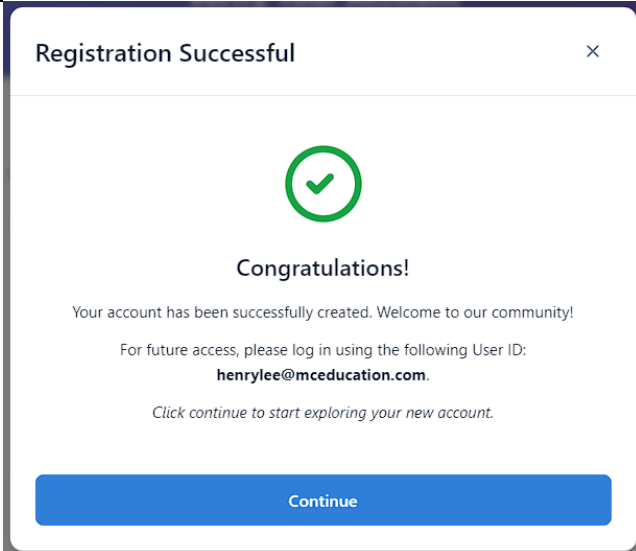

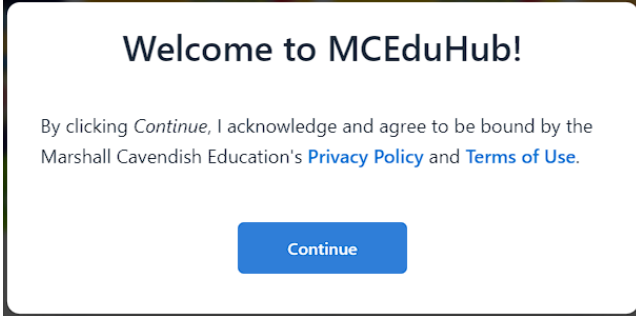

Descriptions: Once a user received book, they will be instructed in the IFC to scan and load MCEduHub.

No.	Flow	Screenshots	Descriptions
1	Scan QR code in IFC.		The login page has been redesigned to ensure that the option to redeem an access code is clearly visible to users.

RESTRICTED

No.	Flow	Screenshots	Descriptions
2	Activate access code.		A new registration form is provided, clearly outlining the steps required to redeem an access code. There is a total of three steps to complete the registration. Step 1: Enter access code.
3	Create account.		Step 2: Registration 1. Email address 2. Name 3. Country 4. Password 5. Privacy and marketing agreement

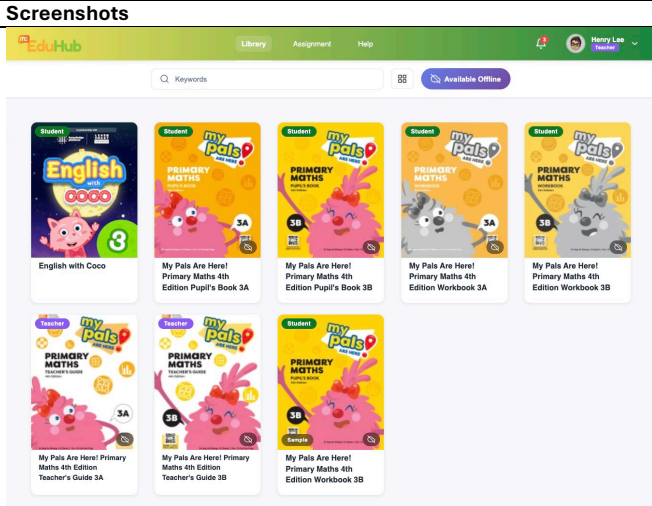

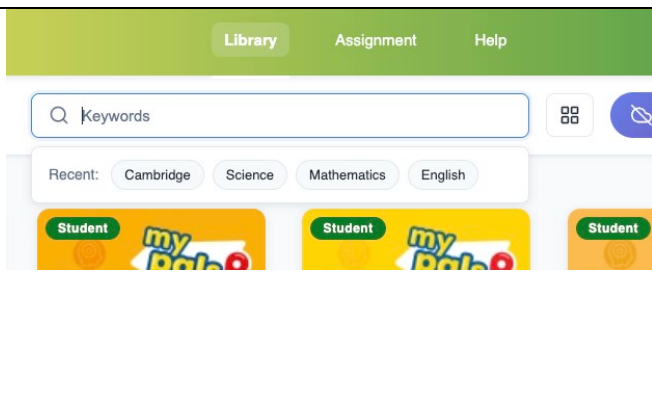

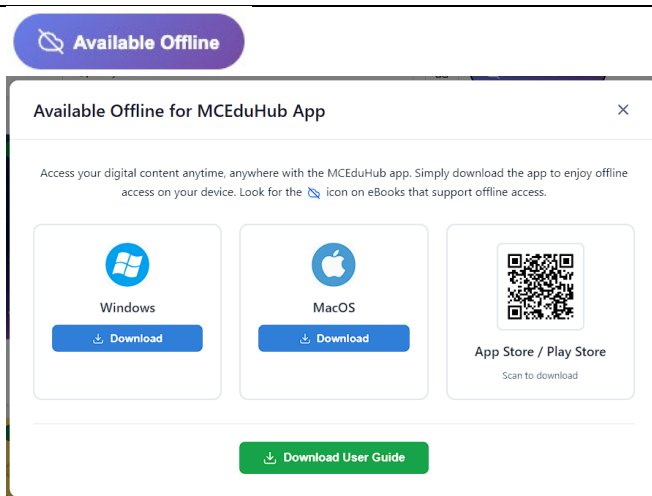

RESTRICTED

No.	Flow	Screenshots	Descriptions
4	Verifying email.		Step 3: Verify Create Account, users will be required to verify the email address provided. A one-time password (OTP) will be sent to that email, which the user must enter to complete the verification process. Descriptions (28 Apr 2026): We have sent a verification code to xxxx@xxxx.com
5	Verified		Once the OTP has been validated, users will be shown a message confirming successful registration. Descriptions (10 Apr 2026): Congratulations! Your account has been successfully created. Welcome to our community! For future access, please log in using the following User ID: henrylee@mceducation.com. Click continue to start exploring your new account.
6	Login to MCEduHub		User will be automatically login after clicking continue in the above step. Descriptions (28 Apr 2026): Welcome to MCEduHub! By clicking <i>Continue</i>, I acknowledge and agree to be bound by the Marshall Cavendish Education's Privacy Policy and Terms of Use.

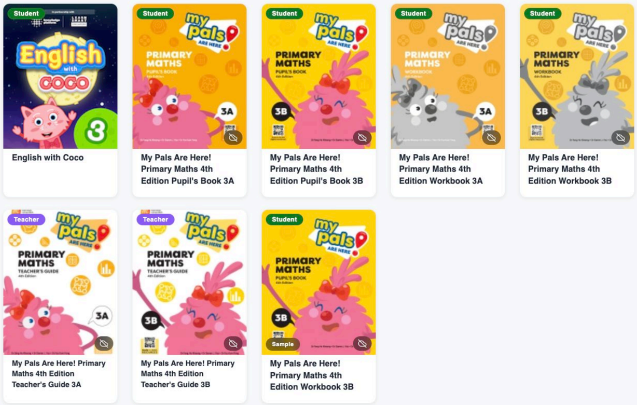

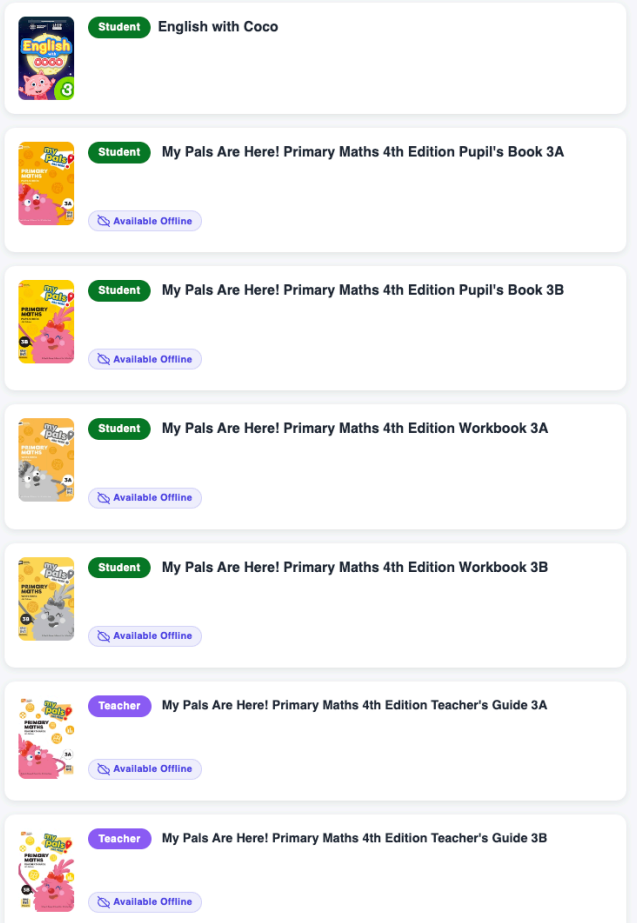

RESTRICTED

2. MCEduHub UI/UX Improvement

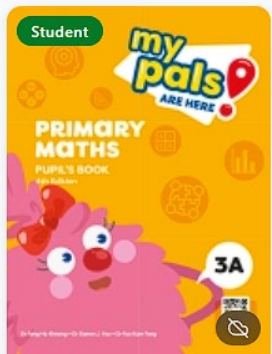

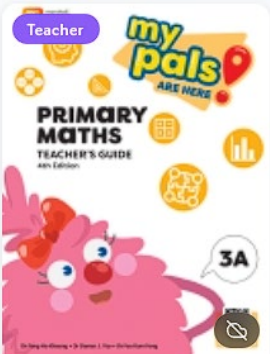

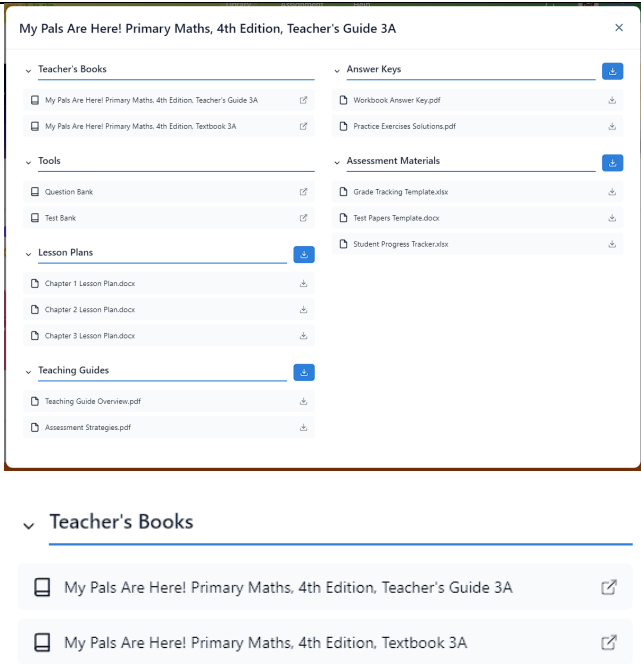

Descriptions: This initiative focuses on delivering a more intuitive, efficient and user-friendly experience for both teachers and students. It enhances key aspects of the platform to ensure smoother navigation, clearer presentation of information and a more streamlined overall workflow.

No.	Areas	Screenshots	Descriptions
-	Overview of improvement		- Menu - Search - Grid/List View - Offline Available - Channel display - Teacher's channel - Help Centre - Class -Teacher view - Class-Student view
1	Menu		Only showing 3 links in the top menu for IFC users. - Library - Assignment - Help
2	Search		Replacing the existing filter with a search bar and providing preset keywords to help users get started. Suggested preset keywords: - English - Mathematics - Science - Cambridge *Note: Presets will be replaced by user's keywords. Maximum is 5 slots.
3	Offline Available		The Offline Available button replaces the existing blue bar, providing a cleaner interface and more intuitive guidance for users. Descriptions (28 Apr 2026): Access your digital content anytime, anywhere with the MCEduHub app. Simply download the app to enjoy offline access on your device. Look for the icon on eBooks that support offline access.

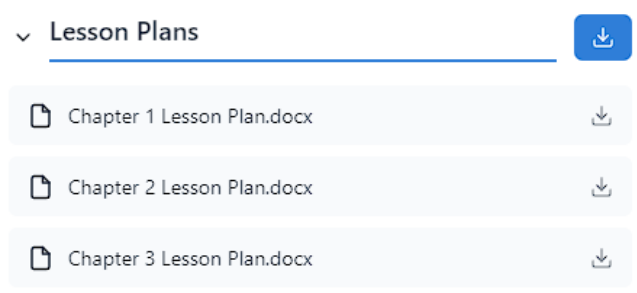

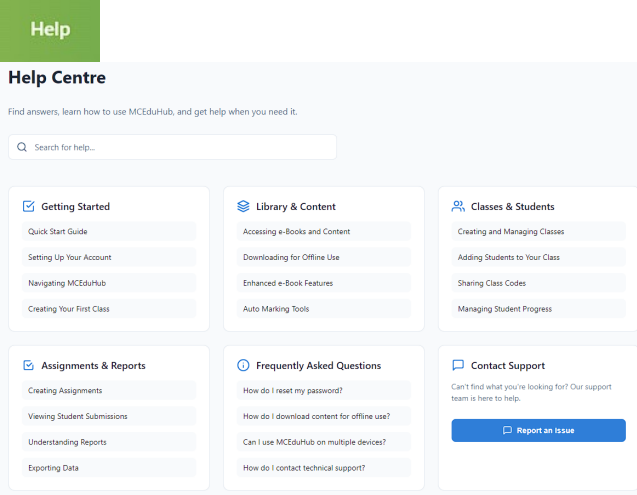

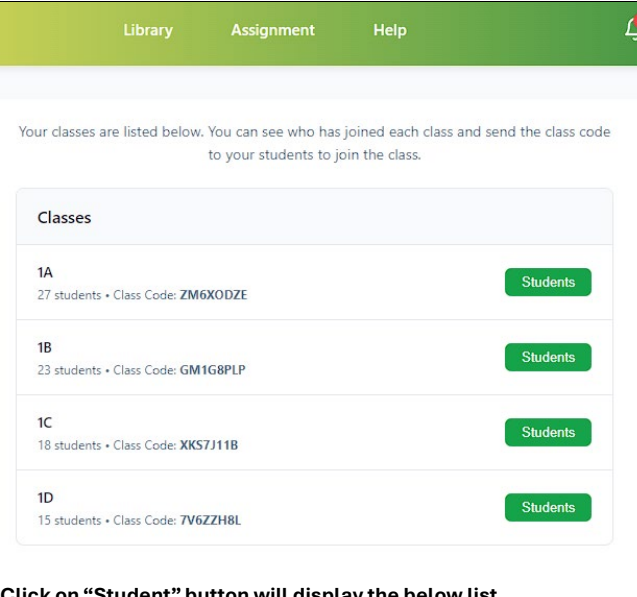

RESTRICTED

No.	Areas	Screenshots	Descriptions
4	Grid/List View	 Grid  List Grid view  List view 	Toggle between grid and list views. The list view is most suitable for use in tighter workspaces, such as on mobile devices.

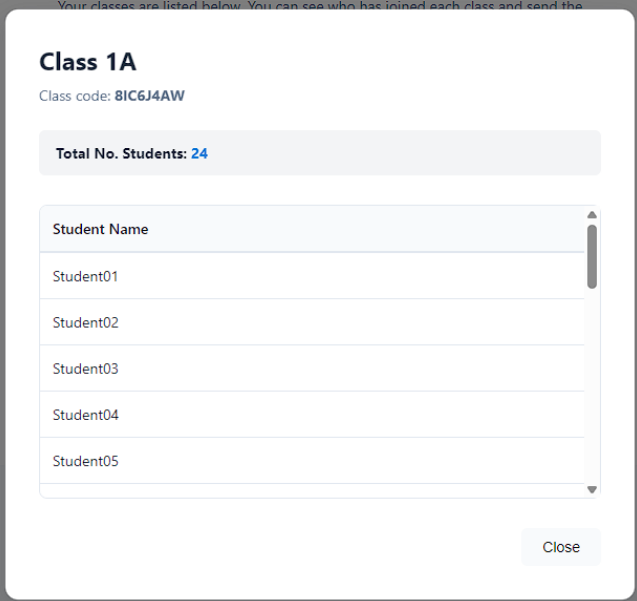

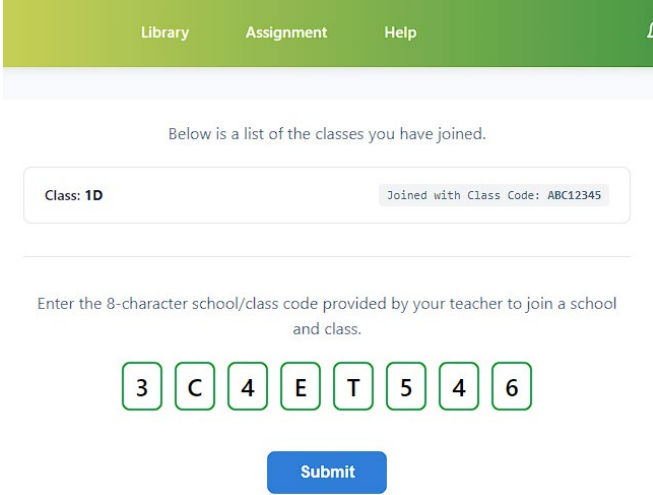

RESTRICTED

No.	Areas	Screenshots	Descriptions
5	Channel display	  My Pals Are Here! Primary Maths, 4th Edition, Pupil's Book 3A My Pals Are Here! Primary Maths, 4th Edition, Teacher's Guide 3A	1. The Teacher and Student labels are clearly displayed in the top-left corner of the eBook thumbnail. 2. The offline availability status is indicated in the bottom-right corner of the eBook thumbnail. 3. A Sample label is displayed in the bottom-left corner of the thumbnail. 4. With these labels applied, customised eBook thumbnails (e.g., Enhanced, Sample) are no longer required, helping to avoid confusion caused by different placements of information.
6	Teacher's channel	 My Pals Are Here! Primary Maths, 4th Edition, Teacher's Guide 3A Teacher's Books - My Pals Are Here! Primary Maths, 4th Edition, Teacher's Guide 3A - My Pals Are Here! Primary Maths, 4th Edition, Textbook 3A Tools - Question Bank - Test Bank Lesson Plans - Chapter 1 Lesson Plan.docx - Chapter 2 Lesson Plan.docx - Chapter 3 Lesson Plan.docx Teaching Guides - Teaching Guide Overview.pdf - Assessment Strategies.pdf Answer Keys - Workbook Answer Key.pdf - Practice Exercises Solutions.pdf Assessment Materials - Grade Tracking Template.xlsx - Test Papers Template.docx - Student Progress Tracker.xlsx Teacher's Books - My Pals Are Here! Primary Maths, 4th Edition, Teacher's Guide 3A - My Pals Are Here! Primary Maths, 4th Edition, Textbook 3A	When a teacher selects any teacher channel, all related eBooks and resources will be consolidated on a single page, including: 1. The teacher version of the eBooks. 2. The teacher guide (where available). 3. Resources, which can be downloaded individually or as a ZIP file.

RESTRICTED

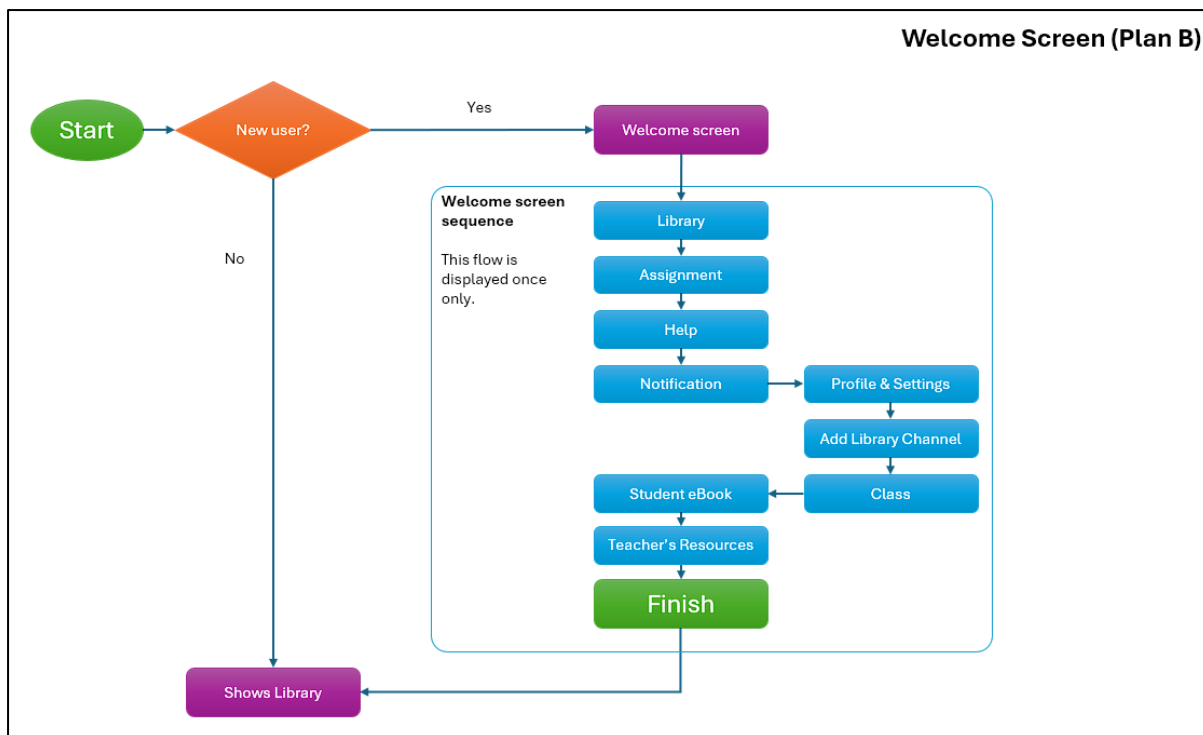

No.	Areas	Screenshots	Descriptions
			
7	Help Centre		Improve the visibility of the Help Centre and Widget so that users can self-help and
8	Class - Teacher view		Teacher can view their classes and the students here.

RESTRICTED

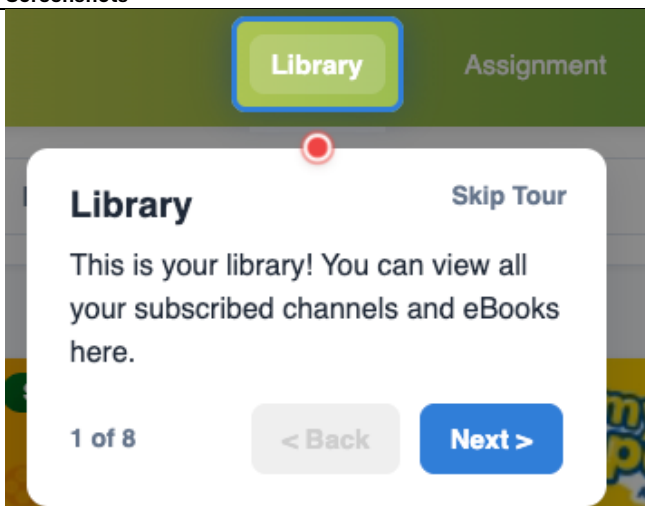

No.	Areas	Screenshots	Descriptions
		 The screenshot shows a window titled 'Class 1A' with the class code '8IC6J4AW'. It displays 'Total No. Students: 24' and a list of student names: Student01, Student02, Student03, Student04, and Student05. A 'Close' button is at the bottom right.	
9	Class – Student view	 The screenshot shows the 'Class – Student view' interface. It has a green header with 'Library', 'Assignment', and 'Help' tabs. Below, it says 'Below is a list of the classes you have joined.' and shows 'Class: 1D' with 'Joined with Class Code: ABC12345'. There is a section to 'Enter the 8-character school/class code provided by your teacher to join a school and class.' with a code input field showing '3 C 4 E T 5 4 6' and a 'Submit' button.	Students can view the classes they joined. They can also join a class using a class code if they are given by teachers.

RESTRICTED

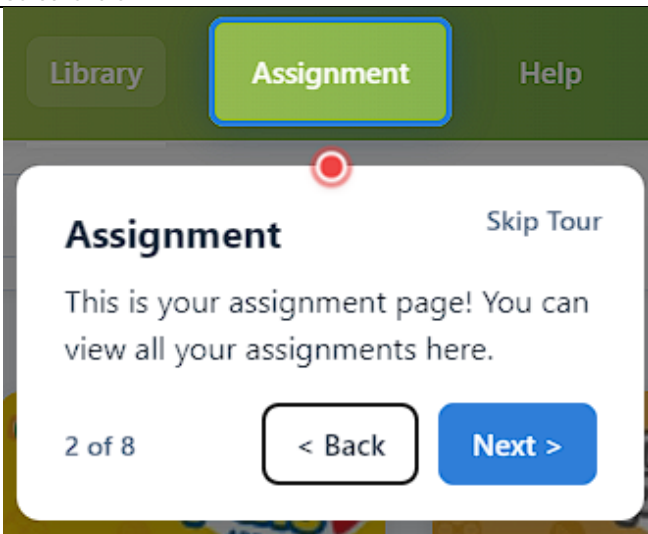

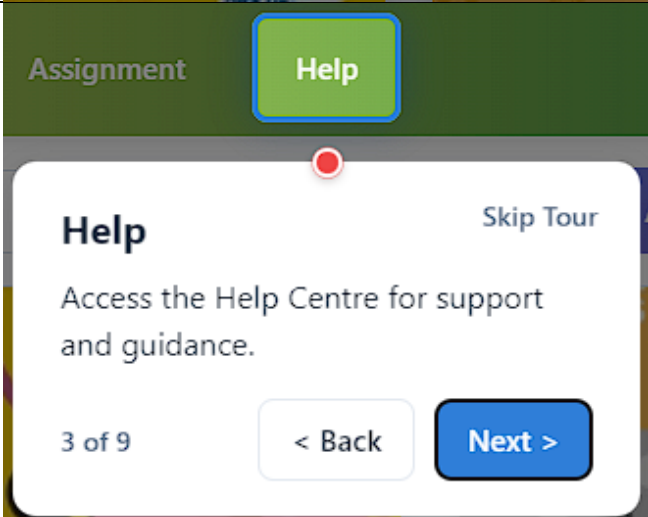

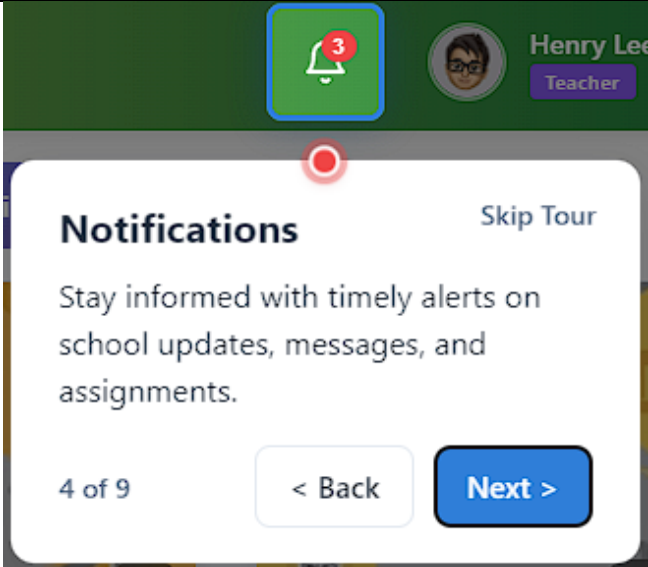

3. Tutorial – Welcome Screen

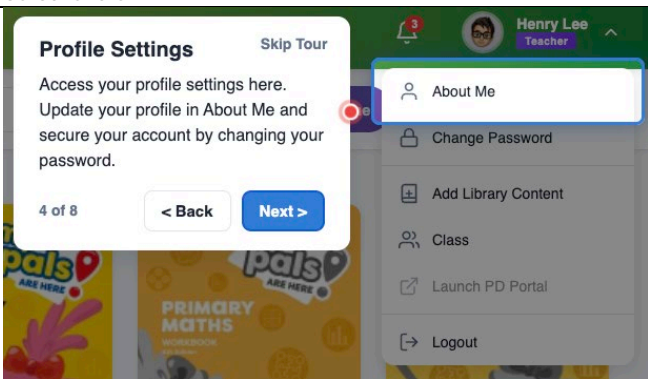

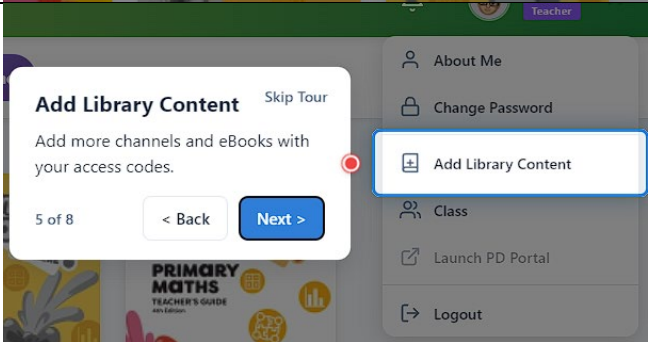

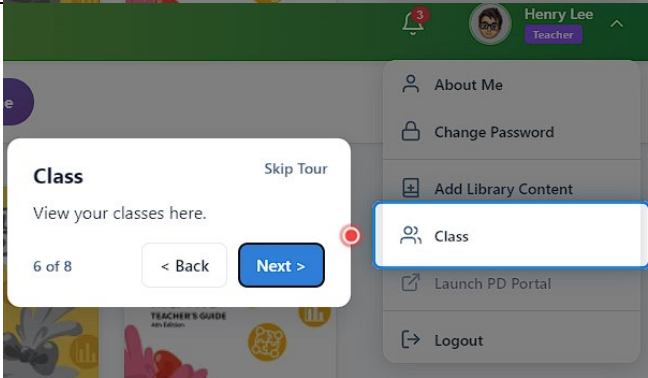

Descriptions: A welcome tutorial will be activated for first-time users when they log in to MCEduHub. Users can follow the guided steps to understand the key components of the portal.

No.	Focus	Screenshots	Descriptions

RESTRICTED

No.	Focus	Screenshots	Descriptions
9	Teacher Resources		*Only teacher account will see this. Descriptions (28 Apr 2026): Access teacher resources like the Teacher's Guide, lesson plans, schemes of work, and additional tools all in one place.

RESTRICTED

4. Mock-up

Descriptions: A refreshed landing page

No.	Slides	Screenshots	Descriptions
			The refreshed landing page has the following updates: Shifted from split layout → single focused login card Replaced playful blobs/gradients → clean, minimal UI Introduced clear visual hierarchy (top-down flow) Elevated headline to “Welcome to MCEduHub” Standardised input fields (cleaner, more SaaS-like) Refined spacing and alignment consistency Clarified CTAs: • Green = Access Code • Blue = Sign In Reduced cognitive load and visual clutter Made login the primary focal point Improved brand perception (more premium, less generic edtech)
